

# **DEFINITIVE SURGICAL TRAUMA CARE (DSTC™)**

**CURSO DE CIRURGIA DE TRAUMA**

**HOSPITAIS DA UNIVERSIDADE DE COIMBRA (HUC), 09 a 11 DE NOVEMBRO DE 2009**

**ANTÓNIO MANUEL MORGADO VIANA**

António Viana was born in Nova Lisboa, Angola - Portugal, in 1962

He is qualified from the University of Porto in 1987 and he is registered in the Portuguese Medical Association (Ordem dos Médicos) with the number 31859

In 1997, with the Fellowship of the National Health Service (SNS), he was admitted as Specialist of General Surgery

In 2007 he became Graduate Assistant in General Surgery of the Hospital Infante Dom Pedro (HIP), Aveiro

His particular interest in Trauma and Emergency Surgery Education lead him to undertake:

- ATLS (Advanced Trauma Life Support, ACS) Student Course for Doctors (Coimbra 2000)
- ATLS Instructor Course (Lisbon 2006) and became member of the Portuguese ATLS Regional Faculty
- DSTC (Definitive Surgical Trauma Care, IATSIC) Course (Coimbra 2006)

Currently he is Team Leader in the Emergency Room at the HIP
